Message from the President General

We would just like to thank everyone for attending the two-week Convention of competition and social activities. The Eyre Peninsula has lived up to its fishing reputation. I was told it is the first time that Tuna have been caught on a convention in South Australia. Congratulations must go to all the winners.

The Championship would not occur without those who have volunteered their time and effort. I would like to thank Pat for all the printing and the YTT's etc, Heather and Annette for doing majority of leg work here in Port Lincoln, Vaughn for running the competitions and lastly for everyone else who has helped in any way.

Thanks also to the sponsors for your generosity.

We would like to wish everyone a safe and uneventful trip home.

See you all in Foster NSW in 2025.

Stefan Salamon

TOMMOROW

Enjoy the rest of your travels and safe journey home.

CONVENTION PHOTOS

You may have noticed that Jeffery Venning has been kindly taking photos over the two weeks of the Championship. He will be sharing a selection of the photos on a Drop Box link which should be available from approximately 10th April. An email with the link will be distributed shortly. If you would like a copy of a photo to print at a larger scale and need a greater resolution, please call Jeffery 0427339540 and he will be more than happy to email you one. If you use any of the photos, can you please give recognition to Jeffery Venning.
